

**Brenntag North America is pleased to introduce a technological advance for the pharmaceutical industry:**

## **The Innovative Solution For Tablet Lubrication**

- Food grade 100% vegetable origin
- USP, Kosher, Halal, EP and JP certified
- DMF allows formulation into pharmaceutical applications
- Eliminates many production problems associated with metal stearates
- Contains no metal, low moisture, low ash
- Produces harder, shinier tablets reducing dust and broken tablets
- Decrease lubricant loading by 50% or greater
- GRAS specially micronized fatty acid powder blend
